

PRESIDENTS LETTER:

Greetings fellow designers:

Wishing all of you safety, health, and happiness during these unprecedented times. While we all navigate this “new normal” in both our personal and professional lives, ASID NM Chapter is committed to providing our members with valuable resources on how to keep moving your design practice forward.

Please take a look at the information listed in this month’s newsletter about the CARES (Coronavirus Aid, Relief, and Economic Securities) Act as well as ASID Headquarters letter to congressional leaders.

We can also stay up-to-date with our CEU’s through webinars and learning resources at the link provided:

On a final note, I want to include this message from ASID Headquarters. It’s not only spot-on but also very empowering. Interior Design Community–ASID will be here for you during these extraordinary times. We will support you by delivering solution-focused news and information around COVID-19. We will help you manage your business, lead your employees, and–every once in a while–bring you inspiration and delight. Social distancing may be real outside, but while we are inside, let us all inspire each other.

Stay safe. Stay healthy. Stay productive (cooking, hiking, gardening...all the things we didn't have time for pre-COVID-19).

Warmest wishes,
Marisa Saavedra-Gutierrez, Allied ASID
